### NEW-YORK CITY.

This afternoon, music at the Park. The free night schools and Woman's Art School of

oper Union begin Oct. 1. The Maltsters' National Association will hold its convention in this city on Sept. 1 and 2.

The Anchor Line of steamships has two new vessels lying at its docks in Glasgow awalting a revival of trade in

Experiments with artificial fuel are making by the Fire Department, with a view to adopting it in preference to cannel coal.

The Rev. R. H. McKin of Alexandria, Va., has deelined the call of Christ Church, at Fifth-ave, and One-bundred and twenty-fifth-st.

Three extra steamers of the Bremen Line are ex-

pected to arrive at this port about Sept. 1, with accommodation for 180 cabin and 400 steerage pessengers each. The Synagogue in Thirty-fourth-st. is being ex-

ensively altered. Pews are being substituted for the scats on the main floor, and an organ is being put in. The steamer State of Virginia of the Glasgow Line, which has been running from Scot and to China during the past year, will leave this port for Glasgow on Sept. 1. It is stated that the vacancy caused by the resigaation of Emigration Commissioner Stephenson will soon be siled by Gov. Tilden, who will appoint a Democrat in his place, and that Commissioner Forrest will be reappointed.

Bids were opened yesterday morning in the Police Central Office for the election printing, in the presence of Controller Green and the Police Commissioners. The award was made to E. A. Kingsland & Co. of No. 51 Nassau st., who did the work last year. Their bid was \$2,320. The next bid to the success of one was \$2,600.

The Sub-Committee of the Republican Central

Committee met last evening, to hear the complaints of those who protested against the Association of which Mr. Moore is

A "Gold Exchange trip" on the Floating Hospital barge is to be given the sick poor children out of a dollar sub-scription cagerly begon yesterday at the Gold Exchange. The coal trade will derray the expenses of the eleventh excursion, and the fruit trade has contributed enough for a twelfth. Ag-gregate receipts of \$852 25 were acknowledged yesterday.

The Board of Health received Sanitary Super Intendent Day's report yesterday, which showed that a much smaller quantity of enripe fruit has been confiscated since Aug. 13 than was taken during the week previous. Section 121 of the Health Ordinances was so amended that the Health Beard are to be informed of any case of glanders or farcy in his city, and then they are to take measures to suppress the

Prof. Baird, the United States Fish Commissioner, is making an exact counterpart in plaster of paris offevery spe-ties of ish that swims in waters contiguous to the United States, for exhibition at the Centennial. Eugene Blackford has at present at Fulton Market three specimens of this work, which were sent him as a compliance by Prof. Baird, who has possived from hr. Blackford 500 different species of fish, for the advancement of scheme at the Smithsonian Institution.

The quiet of Printing-house Square was broken Inc quiet of Printing-Bouse Square was broken just at midmight last night by the sound of two pistol shots in suck succession. A young man living at No. 60 Division st. had stolen a horse and burgy from in front of No. 20 Rose-st., which belonged to Charles Days, and was driving furthensy past THE THULES BURDING, when he was induced to stop by a roughe of stoors from officer of Comnell's revolver, and was soon beeked up in the oakst, station. Officer of Connell is the soliceman who captured the coach-load of burglars in Centre. 8. two years ago.

The Grand Lodge of the Ancient Jewish Order of Resher Shel Barzel, at its afternoon session yesterday, refused permission for the granting of a charter to establish a lodge at permission for the granting of a charter to establish a solge at ballas. Texas. A number of recommendations brought in by the Endowment Committee were approved, and the various standing committees for the ensuing year were appointed. Messirs, Solomon Latz, S. M. Roeder, Harris Rosenthal, and Join Jacobs were appointed an executive Committee to act in conjunction with the Ecoard of Grand Officers in transacting business in the interim between this and their next meeting. The Grand Lodge then adjourned, to meet sgain in this city on the third Tuesday in August, 1876.

### BROOKLYN. The 23d Regiment Band furnish music this after-

Small-pox continues to increase in the Sixteenth Ward, and the health officials are increasing their efforts to

It was discovered yesterday morning that an at-Sempt had been made to burn the contents of the postal box at Yates ave, and McDonough st. John Percy, the Eastern District lawyer who is

charged with barratry and forgery, was yesterday committed by Justice Waish to await the action of the Grand Jury. The number of deaths last week was 277-9 less than during the previous week. There were 8 deaths from Small pox, 18 from dipatheria, and 71 from cholers infantum.

Joseph Carroll and James Ryan, who were found examining the safe of Greason & Howland's coal office, a 52 Harrison at., were committed by Justice Delmar yesterday, Sharged with burglary. William Flesh, the alleged owner of the illicit still

beized at Nos. 9 and 11 Bergen at, on July 27, was arres Inited States Marshal Harlow yesterday, and held in \$500 ball by Commissioner Winslow for examination. Bloom Beatty, who was arrested in his policy shop

at No. 764 Fulton at., was discharged by Justice Moore yester-tay on the ground that the officers were unable to swear of beer own knowledge that he had sold any of the slips. Mary Mullen, the sister-in-law of John P. Cox, who is held for an attempt to shoot Alderman Daniel O'Connell, has published an affidavit denying the charge made by Cox that O'Connell had been improperly intimate with her, and had induced her to leave her home.

The Fresh Air Fund Excursion on Thursday took

ont 1,400 mothers and children to Oriental Grove and fed
them with good things. The total number of poor people who
have had the advantage of these picutes this year is 3,450, at
a wrerage expense to the fund of 35 cents.

The trustees of St. Matthew's Lutheran Congrega-

tion have leased the State Street Congregational Church in State st. near Hoyt st. The dedication will be held on Thurs-day evening, Aug. 26, and on the following evening the in-stallation of the Rev. J. Hgen Burrell as paster will take place. Family troubles led Patrick O'Gara, a blacksmith of No. 306 Water-st., to swallow yesterday two cents' worth of landanum. He then went to work at No. 52 Bolivar at., where he was soon overcome by the drug, which failed of its intended latal effect, however, by the intervention of a policeman and a octor.

A spruce-looking young man, tall and slim, with blonde, curly hair, has been victimizing several Myrtle ave tobacconists by purchasing ten cents worth of tobacco with purious 50 cent stamps and getting his change in a hurry so as to catch the next car." The police were called in, but the spruce young man had departed.

Edward Griffin, age 20, who had been in this airy only two weeks, lost his way while he was returning country only two weeks, next his way while he from New York to his home in President-st., near Bond-st., hate on Thursday night. He was confused by liquor, and two young men, who volunteerest to escert him home, relieved him of the confusion of the president of the confusion of the confusion of the confusion of the communication of having stolen the young emigrant's money.

Justice Walsh began an examination yesterday of the charges against Peter Ravenall, a hotel keeper on the Coney Island Road, by Charles J. Lewers of No. 208 East Coney Island Road, by Charles 3. Levels of 5.00 John Thirty-fifth-st., New-York, who alleges that Ravenall stole 4400 from him while he was drinking at his hotel on May 16. Levers was unable to swe r postavely who had stolen his money, and he admitted that he had sambled and drank in several places in New-York and Brooklyn before he was robbed

Deputy Sheriff Hardy was vainly trying yesterday collect Sheruff Williams's bill against the city for \$3,027 54, the calcut short Williams's one against the city for \$5,027 os, the amount of costs and fees claimed by him in the judgment in favor of the Covenhoven heirs, and the seizure of the disputed land on Atlantic ave. The Mayor, Controller, and City Treasurer all declining to order payment of the bill, it is believed that the sheriff will levy on some of the city's property for the amount.

James Wynne of No. 713 Dean-st. was committed Cames wy line of the Grand Jury by Justice Morse yesterday, on a charge of assault with intent to kill Fatrolman
O'Keefe of the Eighth Police Precinct, whom he found alone
with Mrs. Wynne had summend him on official business.
Wynne testified that he used a stick instead of a razor, and
that he overheard an improper conversation between his wife
and the officer who were alone in a dark room.

### JERSEY CITY.

A cucumber, four feet long is growing in a gar-John Shay, the driver of a kindling wood wagon,

was thrown from his seat yesterday by a joit of the wagon in Pactory lane, and broke his arm. A new Odd Fellows' Lodge for colored brethren

was instituted at Union Hall, Oakland-ave., last night, to be abown as Oriental Lodge No. 1,033. The veterans of the old Second New-Jersey Volunform are making arrangements to effect an organization, and will hold a reumon in this city next month.

The Common Council held a special meeting last night to make arrangements for the Constitutional amend-During the temporary absence of the clerk, two

pea entered the jewelry store of J. M. Williams, at No. 6 Ferry st., on Thursday evening, and stole three silver watches. Thomas Purceil, a tramp, was committed for trial by Judge Keese yesierday for sneak thieving. He had a coat in his possession stolen from Jacob Ewald's house, at No. 217

George Reeves, a coal dealer at New-Jersey Railpond-ave, and Oliver at., has failed. His liabilities are said to amount to over \$40,000. His father is said to be a creditor to the amount of \$18,000.

There is great complaint among property-owners at the action of the Board of Aldermen in renombering houses

which have less than 25 feet of frontage, with a fractional number to indicate that fact. Chancellor Runyon yesterday dissolved the in-

function against the Washington st. bridge, and the fwork Henry and Hall, the alleged diamond smugglers,

were brought before Commissioner Romaine yesterday. Charles H. Winfield was their attorney, and is the third lawyer whe has undertaken their detense. The case was postponed until Wednesday, Aug. 25, and, failing to give bonds in \$2,000 each, the prisoners were committed. A warrant was issued by Justice Leonard yester-day for the arrest of Col. C. G. Van Rupen, on a charge of false pretense, preferred by S. R. Winfield, a liquor-dealer, who was induced to trust him with liquors valued at \$171.06, on his representation that he owned certain lots on Hancock ave., Jersey City Hights.

Last evening Garret Haley was arrested and taken Last evening Garret Haley was arrested and taken to the Eighth-st. Station-house, charged with an attempt to murder his son, a young man who keeps a butcher shop at No 163 Provost-st. It appears that the old man, while drunk went to his son's shop and quarreled with him. The young man was closing up the store, when his father seized a cleaver from the chopping-block and struck at his head, making a scalp women five inches in length. Had the wounded man not dodged he would certainly have been killed.

### NEWVARK.

A. V. Steventon, a detective for the Excise Comas it. Steventon, a detective for the Excise com-mission, was yesterday accused before Justice Mills of getting liquor from unsuspecting shopwomen by representing that he had a cramp, and then preferring charges against them, when in fact the women aid not keep liquor for sale. The City Council will investigate the charge.

At this season of the year the oyster dealers along At this season of the year the cysic decades assessed in the state Island Sound are planting cysters. Of late watchmen have discovered piratical boatnen dredging the cysters after nightfall. The thieves have also boarded cyster sloops and stolen scores of baskets of seed cysters. Some of the boaty has been traced to Amboy, and John Favlor, Joseph Leonard, and Alfred Dixon were arrested. Yesterday they had a hearing and were remanded. It is thought that the arrests will tend to break up the entire gang to which they belong.

### LONG ISLAND.

LONG ISLAND CITY.-Charles Smith, whose barn the Plasting North Shore and Central Railroad Company for \$1.00 \, alleging that sparks from an engine set the barn on fire. The Company refuse to pay the bill, and a suit will probably result. SAND'S POINT.—The second annual regatta at this place will take place on Friday, Aug. 27, for pleasure and working boats. The race is to be 10 miles to windward and return.

STATEN ISLAND. STAPLETON .- The drowned boy found upon the STAPLETON.—The drowned been identified as August F. Chaloney, who fell from the steamer Arrowsmith on Sunday. Coroner Lea held an inquest, and the verilet was accidental

PORT RUBMOND.—The 40th anniversary of the actilement of the Rev. James Erowniee, D. D., over the Reformed Church will be celebrated to morrow. The church was founded over 200 years ago.

NORTH BERGEN .- A track-walker on the Northern Railroad of New-Jetsey on Thursday discovered some railroad ties fastened across the track in the woods near this place. WEST HOBOKEN.—At 3 a. m. yesterday, Jacob Bosse and Catherine Gilgen quarreled during a drunken spree, and the woman stabled Bosse several times. His wounds were not daugerous, and he was committed as a disorderly person. ELIZABETH. - Pitteen traines were arrested on Thursday night, and yesterday several of them were given terms of five and six days in the County Jail.

### OUT-DOOR SPORTS.

RIFLE PRACTICE AT CREEDMOOR The Fifth Brigade of the Second Division, N. G., finished its annual rifle practice at Creedmoor yesterday. In the detachment there were 54 men from Companies C and F of the 13th Regiment under Capt. Beadle; 60 men from Companies B, H, and D of the 14th Regiment under Lieut, Brennan, and 23 men from Company E of the 28th Regiment under Lieut, Kaesman. The officer of the day was Major Michell of the 14th Regiment. The wind blew directly up the range, and did not interfere with the accuracy of the shooting. Of the 13th Regiment 26 men qualified to shoot at 300 and 400 yards; of the 14th Regiment 26 men qualified, and

of the 28th Regiment 11 men. The following are the

The same land can be bought for \$300 cash down. Profits one will pay for land and improvements before the last pay The Location is Central, along the 41st parallel, the favorite latitude of America. Equally well adapted to corn of wheat; free from the long, cold Winters of the Northern, and the hot, unleastity unbecace of the Southern States. tables, all covered with a thick growth of sweet, nutr

The Soil is a Gark loam, slightly impregnated with lime, free from stone and gravel, and eminently adapted to prays, grain, and root crops; the subsoil is usually light and porous, relaming moisture with wonderful tenacity. The Circuite is wild and healthful: the afmosphere dry and ure. Epidemic diseases never prevail; Fever and Ague are mknown. The greetest amount of rain fails between March and October. The Winters are dry with but little snow.

and October. The Winters are dry with but little snow.

The Productions are wheat, corn, oats, barley, rye, and
root crops, and vesctables generally. Flax, sweet potatoes,
sorghum, etc., etc., do well and yield largely.

Fruits, both Wildrod Cu tivoted, do remarkably well.
The treedom from frosts in May and September in connection
with the dry Winters and warm soil, tenders this State emneity adapted to fruit culture.

Stock Ruising in all its branches is particularly profitable
on the wide ranges of rich pasturage. Cuttle and sheep teed
with avidity and fatten upon the nutritions grasses without
grain; hogs trive well, and wool growing is exceedingly reminnerative.

Timber is found on the streams and grows rapidly. Conf of excellent quality exists in vast quantities on the line of the road in Wyoming, and is farnished to settlers at reduced rates.

Market Facilities are the best in the West, the great mining regions of Wyoming, Colorado, Utah and Nevada are supplied by the farmers of Platte Valley. The Pitle given the purchaser is absolute, in feet and free from all incumbrances, derived directly for conted States.

Education is Pree; life and property are secure, churches are liberally sustained; flouring towns on the line of the feathead afford markets; daily mail, telegraph, and all the advantages of older settlesi communities. Prec Homestead Lands. The intervening sections on the line of the Railroad are reserved by the Government for actual settlement, and may be obtained major the Free Homestead Act. By the provicions of this law, every field of a family, widow or immarried person over the age of 21 years may have 80 acres as a free gift forever, if he will come and occupy the land.

Soldiers of the Late War are entitled to a Homestead of ne hundred and sixty acres within Railroad limits, which is equat to a nonity of \$490.

Persons of Foreign Birth are also entitled to the benefits of the Free Homestead Law on declaring their intentions of becoming citizens of the United States, this they may do immediately on their arrival in this country.

For Colonies, the lands on the Linc of the Union Pacific Radroad afford the best features in the West.

TOWN LOTS FOR SALE YERY CHEAP in the most important towns on the line of the Road, adording excellent opportunities for business or investments.

Full information fu regard to lands, prices, terms of sale, &c. together with pamphlets, circulars and maps, may be obtained from all the Agents of the Department, also, "THE PIONLER." A handsome ILLUSTRATED PAPER, with maps, etc., and containing the HOMESTEAD LAW. Matted free to all applicants.
